

S GOAL

Arizona counties receive and address citizen concerns through a formal Complaint, Review, and Corrective Action process

Legislative Action

Create a new Arizona statute (law) requiring Arizona counties to formally receive citizen input and address their concerns

Public Action

Ask your Arizona State Senator and Representative to pass legislation

Learn More

Proposal

Ask your Representatives and Senator if you like the proposal.

What is this bipartisan proposal?

Governance Gap

Ask if you understand how the proposal fixes the gap.

What is the problem?

U.S. GAO

Ask if you understand how far counties have drifted from good.

What are the Federal standards?

Examples

Ask if you can see poor governance in the stories.

What is this pattern of poor governance?
